

Leavenworth Trip- 4.6.25

A fun early spring trip to Leavenworth with Ian, Rachael, Kinsley and Peter. They stayed at the Evian Hotel downtown and Barb and I were at Infuse Organics a few miles outside of town using our Harvest Hosts membership.

Once in town we were able to pay small fee at the Hotel that added us to their Reservation. We could use the amenities - pool, workout room, free movie and popcorn and even a wonderful 4th floor breakfast the next morning. Well, Kinsley told us breakfast was included and she took us upstairs like she owned the place and got us seated!! She and Peter also sat with us and had a post breakfast snack. Our movie was Sandlot and of course free popcorn.

Our place out at Infuse Organics was great! Very private and quiet. We talked with both owners for a while and of course went into their small gift shop and purchased a lot more than we really needed.

Stopped off at Plain Hardware on the way into Leavenworth and looked around. Continued down the Chumstick Hwy. to Infuse Organics and stopped for a few minutes to get lay of the land. Continued on to town. Had lunch at a German place on a large outside terrace with a fire pit. Good food. - Ian and I rode the Tumwater Twister which is a large roller coaster as you enter town from the west. It was a hoot and quite the Thrill.
