

Welcome to the office

Sitting in front passanger seat swiveled facing the back doors using the table to write in my log book. Very comfortable. Still raining hard, your mom in bed, lightening and thunder have stopped. Very cozy. We are at a Walmart in Iowa City, Iowa. The wind is rocking the van a bit.

This is kind of like Apollo 13, when Tom Hanks was trying to get back to earth. It's cold, but unlike Apollo 13 our heater works.
